

Dealer Guide

cyclovac.com

2024

Why choose Cyclovac?

Quiet

Acoustic foam and rubber components soundproof the unit.

Carbon dust filter¹

Captures the fine black carbon dust produced by the unit's motor(s).

Efficient

Durable and efficient motor with conical base to maximize air volume.

Sturdy

Premium quality steel protected by thermohardening paint.

Non-allergenic

Filters are either HEPA type (efficiency of 99.5% at 0.3 μ m) or provided with an antimicrobial treatment that prevents growth and proliferation of mold and bacteria which can cause allergies and some respiratory disorders.

Powerful

The suction strength is maximal and constant, no matter the type of filtration chosen.

¹Patented

Find your bags & filters
on cyclovac.com

High Efficiency Series

Electrostatic filter bag

Efficient

The HEPA type tambourine filter protects the motor of your unit.

Powerful

Constant power despite of the volume of dust and debris inside the bag.

Hygienic

Nothing to handle; simply remove the bag and discard it! This series is recommended for people with dust allergies.

Hybrid Series

Hybrid filtration

Convenient

Your vacuum unit can be used with or without a bag, at any time! The choice is yours!

Versatile

- Used with a bag: the dust and debris vacuumed is trapped inside the bag.
- Used without a bag: filtration is ensured by a self-cleaning filter that captures microscopic particles.

Effective

With or without a bag, you get a constant maximum power despite of the volume of dust and debris vacuumed.

Let us **make your life easier!**

Cyclovac central vacuum systems adapt to your needs and lifestyle. For your daily cleaning, things become incredibly quick and simple. Clean everything, from the basement to the attic, using our high performance vacuum units with our practical and easy to use attachments.

Revolutionize your cleaning efficiency with the Retractable®.

*What's handier than **a hose** that automatically stores itself?*

The **automatic dustpan** is a must for the kitchen.

The **vacuum inlets** are strategically placed.

The **WallyFlex**: the ideal tool for a quick clean.

See, compare, and make your choice!
